## **ENVIRONMENTAL POLICY**

This document contains the policies and procedures governing the Performing Arts Network South Africa's (PANS A) awareness and response to environmental concerns.

### **PURPOSE & SCOPE**

PANS A is aware that it has an impact on the environment as a result of its daily operating activities, and undertakes to reduce this impact as far as possible within the constraints of its required operational needs.

It is not anticipated that this policy can effectively deal with all negative environmental impact of the organisation. Its primary objective is to ensure all PANS A staff and committee members are aware of, and avoid negative impact on the environment as far as possible.

### **GUIDELINES**

PANS A will follow these guidelines with regards to the environment

- Buying recycled paper/materials wherever possible
- Recycling in our own offices
- Not printing unnecessarily
- Showing preference to environmentally sound suppliers
- Not travelling excessively
